## AUTOMOTIVE LINES

### AUTOMOTIVE LUBRICANTS FROM TOTAL

- Classic Series passenger car and light truck motor oils
- Classic Series semi – synthetic motor oil for passenger car, light truck, and SUV's
- Quartz Series full – synthetic performance motor oils designed for today's high rpm high performance engines
- Fuel Economy Series , Low SAP's design for diesel motor carrier fleet use
  - Rubia TIR 7900 FE 10W30 semi – synthetic engine oil
  - Transmission SYN SAE50 synthetic gear lubricant
  - Transmission XRD FE 75W90 GL-5 rated synthetic gear lubricant

**The modern replacement for the outdated rag, always clean off the roll or out of the box, absorbs up to 10 times its weight in liquids, makes cleanups fast and easy!**

- Oil only products absorb oils, coolants, solvents, and oil based fluids while completely repelling water
- Universal products absorb oil, coolant, solvents, and water based fluids
- Chemical Absorbent Products absorb chemical acids, bases, oils, solvents as well as water based fluids and unknown liquid chemicals
- Work area mats and rugs
- Spill control and containment kits and refill supplies
- Drum covers, drain seals, and organic granular absorbents

- Automotive shop products and chemicals
- Automotive reconditioning products and chemicals
- Cleaners and degreasers
- Shop cleaning supplies
- Automotive power-train and performance additives

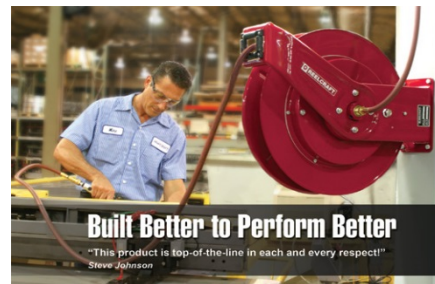

- Safety cabinets and cabinet accessories
- Spill containment materials and poly- drums
- Machine guards and bollard posts
- Lift oil drains
- Safety cans

- Disposable fiberglass or pre-pleated filters in single or two wire reinforced box frame filters
- Washable – reusable box frame filters
- Filtration Media in rolls and pads are available
- Box Filters for sanding and paint booth use

Hose, cord, and cable reels available in manual, spring, or motor return

Shop Exhaust hose and flexible ducting

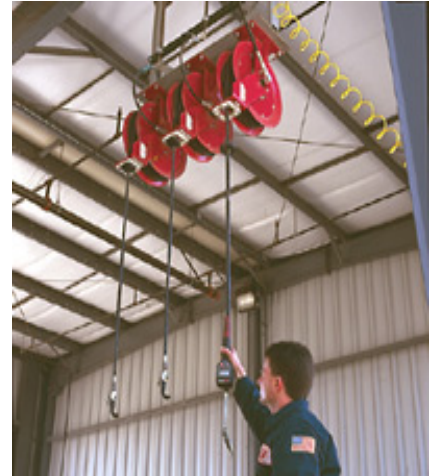

- Anti-seize Compounds
- Anaerobic sealants
- Thread sealers and locking compounds

# LINCOLN INDUSTRIAL

- Grease, oil, corrosive fluid pumps and accessories
- Lube stations, hose reel packages, control valves and lube meters
- Pneumatic filters- regulators- lubricators, air couplers and air tool nipples
- Used fluid handling, lift oil, heavy equipment, and pressurized evacuation drains
- Electric, pneumatic, and manual grease guns, accessories and fittings
- Mityvac vacuum tools and accessories

# MISCO Products Corporation

- Cleaners and degreasers
- Glass and surface cleaners

## DRIRITE Granular Dry Oil Absorbent

# BARENS INC.

Wholesale Pressure Washers, Parts and Accessories

# Autoquip CORPORATION

## Scissors lifts & compact lift tables

- DEF dispensing equipment and accessories
- Grease, oil and drum pumps
- Lift oil drains
- Portable lube carts
- Storage tank packages complete with fluid inventory control systems
- Hose Reels & Grease Guns & Fittings

## Sprayon™

### KRYLON®

#### INDUSTRIAL

- Maintenance and machinery paints
- Engine and high temperature paints

- Chlorinated and Non-Chlorinated brake cleaners
- Aerosol greases, white grease, and multipurpose red grease
- Rust Breaker penetrating oils, anti-seize compounds
- Weld spatter protectant
- Molybdenum and graphite dry lubricants
- Engine and electrical component degreasers, contact cleaners
- RTV silicone sealants
- Glass and surface cleaners
- Chlorinated and Non-Chlorinated belt dressings

### TRI-FLOW®

- PTFE fortified "Hi-Performance" lubricants available in grease or oil form
- High performance synthetic anti-seize protects up to 1800° Fahrenheit
- Oils available in aerosol, pump sprayers, drip dispensing bottles
- Greases available tubes, aerosols, and industry standard 14 oz. cartridges
- High performance red grease, NLGI No. 2, waterproof, and high melting point. Ideal for automotive disc brake service
